Breakfast and transfer to Airport

1. TRANSPORT

Partners from the Ivančna Gorica Municipality will organize transportation for international partners who will arrive in Slovenia by plane or other public transportation (train, bus). Transfer is possible from Jože Pučnik Airport Ljubljana, main Ljubljana train and bus station and also from Franjo Tuđman Airport Zagreb.

It is necessary to inform the partners from Ivančna Gorica about the time and place of your arrival in order to arrange transportation. The same goes for going home. **It's necessary to give informations for arrival and departure time and place.**

As accommodation is in the second place, as most of the program for international partners, the organizers will also provide all transportation of participants.

Partners who will come to Slovenia by car can use motorway A2 and the Ivančna Gorica or Trebnje motorway exit. In Slovenia, driving on the highway is mandatory with a vignette. Vignette can be bought at the entrance to the country (the price of a weekly vignette is 15,00 EUR).

2. ACCOMMODATION

International partners will be accommodated in the Hotel Galaksija Trebnje (20 km from Ivančna Gorica). Guests will have breakfast at the hotel. Other meals will be organized as foreseen in the program.
